To: Somalia's International Partners: United Nations, United States of America,
European Union, United Kingdom, Kingdom of Norway, Sweden, Denmark

STOP UAE 'S SHEIKH Mohammed bin Zayed Al Nahyan's FRAUDULENT AND UNCONSTITUTIONAL ACTIVITI IN FEDERAL REPUBLIC OF SOMALIA

We call upon Somalia's international partners, United Nations, U.S, U.K and European Union and African Union to close all UAE's ruler Sheikh Mohammed bin Zayed Al Nahyan (MBZ) illegal recruitment and operations currently underway in all regions of Somalia.

UAE's ruler Sheikh Mohammed bin Zayed (MBZ) has entered into a one sided fraudulent, an illegal, secretive and unconstitutional agreements with the Ministry of Defense of the Federal Republic of Somalia. UAE Ruler has used his vast wealth to bribe and corrupt the Somalia's Defense Minister and President Hassan Sheikh Mohamud; As a result of that, President Hassan Sheikh Mohamud and His defense Minister entered into an unconstitutional agreement with UAE.

The agreement gives Somali People a second class status in their own country. It gives UAE's Sheikh Mohammed bin Zayed Al Nahyan unlimited powers over the people of Somalia and its Land ports, Seaports and Airports. The agreement also gives Ruler of UAE to house, pay and recruit unlimited mercenaries in the Territory of Somali Federal Republic. The agreement gives Mohammed bin Zayed Al Nahyan's mercenaries free hand to commit crimes against Somalia's political, cultural, religious, and civil society Organizations. The agreement gives Mohammed bin Zayed Al Nahyan's future criminal activities a full immunity from the International and national prosecutions.

We the people of Somalia, right full owners of the Territory of Federal Republic Of Somalia reject to become a second class citizen in our own country. We also reject Ruler of UAE's ill intent and bad faith agreement. The agreement violates Somalia's sovereignty and the Federal Constitution. UAE's Mohammed bin Zayed Al Nahyan's faulty agreement will destabilize the Horn of African Region as he was previously destabilized Yemen, Libya, Sudan, and Chad.

We are demanding UAE's Mohammed bin Zayed Al Nahyan to cease and desist of the illegal, fraudulent and unconstitutional recruitment of army of mercenaries in Somalia.
